O R D E R:

The petitioners in this Writ Petition sought a general relief against the respondents that they be directed to make appointments to the post of Professors from amongst the eligible candidates in accordance with the guidelines issued by the University Grants Commission (for short "U.G.C."). The petitioners in the Writ Petition did not as such, challenge the appointment of any specific candidate stating that the appointment of such specific candidate was in violation of the guidelines issued by the U.G.C. or that the appointment was from amongst ineligible candidates. The first respondent-University in its detailed reply submitted that no single appointment was made by the University irregularly thereby violating the qualifications prescribed by the U.G.C. The University stated that vacancies so far filled by it were according to norms prescribed by the U.G.C.

In the absence of petitioners citing an example or questioning the appointment of any specific person, no relief can be granted in this petition where the relief prayed for is of general in

nature and there is denial by the respondents of the allegations of petitioners that University is making appointments from amongst ineligible candidates.

The Writ Petition is dismissed.
